MOTOR VEHICLE, BICYCLE, IN-LINE SKATES, ROLLER SKATES, AND SKATEBOARD REGULATIONS FOR SOUTHERN ILLINOIS UNIVERSITY CARBONDALE

(As amended August 1, 2009)

DIVISION I--TITLE, AUTHORITY, PURPOSE, AND ENFORCEMENT

Section 1-101--Title

These regulations shall be known as the Motor Vehicle, Bicycle, In-Line Skates, Roller Skates, and Skateboard Regulations for Southern Illinois University Carbondale (SIUC).

Section 1-102--Authority

The regulations are established under the authority and duty of the Board of Trustees granted by the legislature of the State of Illinois to establish and make regulations for the government and the management of Southern Illinois University Carbondale. These regulations have been approved by the Chancellor of Southern Illinois University Carbondale and the President pursuant to Chapter 6, Policies of the Board of Trustees, Section C-5.

Section 1-103--Purpose

A. The regulations, sanctions for violation, and parking revenue charges, are for the purpose of providing and maintaining a safe and uncongested means for the movement and parking of vehicular traffic on the campus of SIUC. This policy includes, but is not limited to, discouraging the use of parking spaces for which there is a great demand for the purpose of all-day parking or automobile storage, making such space available to those whose needs are greatest for the view of advancing the academic, service, and administrative functions of the University.

B. In developing these regulations, the Board recognizes that there are insufficient parking spaces and facilities for all persons desiring to park on the campus. It is therefore necessary to establish equitable regulations controlling the parking, and to provide a means for individuals with parking needs on the campus to receive priority.

Section 1-104--Effective Date

These regulations are effective for Southern Illinois University Carbondale from and after August 1, 2009.

Section 1-105--Enforcement

It shall be the duty and responsibility of all police officers, uniformed Saluki Patrol persons, and parking enforcement agents employed at SIUC, to enforce these regulations.

DIVISION II--COVERAGE, DEFINITIONS AND DIVISIBILITY

Section 2-101--Coverage, General

A. These regulations shall apply to all Vehicles, Bicycles, In-Line Skates, Roller Skates, and Skateboards, and users thereof, coming on, or parking on, the campus of SIUC, unless otherwise provided in these regulations. Any person who operates or parks a vehicle or bicycle or owns a vehicle or bicycle which is operated or parked on University property accepts the obligations or parking revenue charges imposed by these regulations.

B. The provisions of these regulations shall apply to the driver of any vehicle owned or operated by the United States, the State or any County, City, Town, District, public corporation, or any other political subdivision of this or any other State, except as otherwise provided in this section.

C. Faculty, staff and students will be considered the operator and owner and will be responsible for citations issued to a motor vehicle having state registration in the name of any family member or domestic partner (as defined by University policy) unless acceptable evidence to the contrary is presented within five business days of the citation notice.

D. Faculty, staff and students are responsible for knowing the regulations governing the operation of vehicles at SIUC and will be responsible for any violation thereof.

E. The University assumes no responsibility for loss of contents or damage to vehicles while parked on the campus of Southern Illinois University Carbondale.

Section 2-102--Definitions

The words and the phrases used in these regulations shall have the meanings respectively ascribed to them in the Illinois Vehicle Code, 625 ILCS 5/1-101 et. seq., except where the context otherwise requires.

Section 2-103--Divisibility

Should any division, section, or subsection of these regulations be declared unconstitutional or void by any court of competent jurisdiction, the remainder of these regulations shall remain in effect. Under such circumstances, the Chancellor or his duly delegated representative shall have the authority to establish a new division, section, or subsection for that which has been declared void or unconstitutional, without resubmission to the President, in order to give full force and effect to the intent and purpose of these regulations. New divisions, sections, or subsections, shall be submitted to the President for ratification as soon thereafter as possible.

Section 2-104--The Illinois Vehicle Code

All laws of the State of Illinois concerning vehicles and their operation, including but not limited to the Illinois Vehicle Code are hereby incorporated in these regulations as if reproduced herein in full. Pursuant thereto, the posting of signs regulating traffic and parking by the Department of Public Safety shall be deemed to have been duly done by local authority as there defined.

The speed limit on campus roads or drives shall be 20 miles per hour unless otherwise posted.

Section 2-106--Obedience to Traffic Signs

Every person shall obey the instruction of any traffic controlled device, sign or notice, unless otherwise directed by a traffic control officer.

A temporary vehicle is defined as a vehicle used for a limited period of time and which is not eligible to be registered.

All vehicles must have the appropriate Parking Division decal and the Family Housing permit issued by the University Area Housing Office.

H. Employees or students who wish to rotate driving responsibilities with employees or students who are not members of their families may form car pools, by registering two or more vehicles. Each member of the pool will be issued a decal to denote membership in a designated car pool. One transferable hangtag will be issued to the pool and must be displayed on the rearview mirror in any car or truck bearing a car pool decal while it is parked on campus. Section 4-107--Ownership of Decals and Hangtags

All decals and hangtags remain the property of the University at all times and may be reclaimed for cause at any time. Upon sale of a vehicle or other change of eligibility for vehicle privileges under these regulations, a decal which is no longer authorized for the person or vehicle must be immediately removed. A replacement decal will not be issued except after the remnants of the original decal are returned to the Parking Division or other evidence of removal is accepted by the University official in charge of coordinating the activities for Parking and Traffic. Replacement yellow decals are free of charge; other replacements will cost \$5.00 except that when the decal remnants have not been returned the full price of the replacement decal shall be charged. Any student moving from on-campus housing must immediately remove the vehicle's overnight decal and return the remnants to the Parking Division.
